Dear Sir,

REQUEST FOR DEFERMENT OF (MAKE-UP TRAINING(HIGH KEY)) – DR [redacted] (XXXXX042A)

We are writing in on behalf of our employee, Dr [redacted], NR[redacted] Dr [redacted] has been scheduled for (Make-Up Training(High Key)) at Sungei Gedong Camp from 17 March 2025 (0800hrs) to 24 March 2025 (2359hrs).

Dr [redacted] is undergoing his PGY1 training from 2 May 2024 to 1 May 2025. During this period, he will be rotated through 3 postings comprising of 4 months each. As part of PGY1 training, House Officers may not be absent for their hospital postings for more than 12 days within a 4-month posting period. Those who fail to meet the attendance criteria would have to repeat the entire posting. Indubitably, this will have a negative impact on their career.

To manage this issue, it has been a standard arrangement for MOHH to seek deferment of ICT/Makeup Training for our House Officers, at least until they have completed their PGY1 training year.

As Dr [redacted] employer, we recognise the paramount importance of National Service and its integral role to our nation's vision of Total Defence. However, in order to avoid derailing the career of one of our earnest, young talents, we seek your approval for the deferment for Dr Han's (Make-Up Training(High Key)).

Thank you for your understanding. Please do not hesitate to contact me at 6818 1334 or [redacted]@mohh.com.sg if you require any further information to assist with our request.

Much obliged.

Yours sincerely,
